Requirement

• All NIH-funded researchers must submit (or have submitted) their final peer-reviewed journal manuscript to PubMed Central **upon acceptance** for publication.

• Articles must be publicly available through PubMed Central **no later than 12 months** after publication.
Compliance Process*

1. Manuscript is accepted.
2. Manuscript is submitted to PubMed Central.
   - By Publisher
   - By Author
3. If necessary**, manuscript is approved by author.
4. PMCID is cited in progress reports, applications, and proposals.

*http://publicaccess.nih.gov/submit_process.htm

**See Submission Methods and How To Demonstrate Compliance (Sarli & Lewis, 2010)

Not sure if your publisher submits? Check with NIH:
http://publicaccess.nih.gov/submit_process_journals.htm
NIH Public Access Policy:

Troubleshooting & Education

Beginning April 2013

• Awards (non-competing continuation) will be delayed until grantees demonstrate compliance.
